

THE ONLY WINERY FROM ARGENTINA & CHILE  
SELECTED BY ROBERT PARKER JR.  
AS ONE OF THE GREAT WINE ESTATES OF THE WORLD

"Ironically, for over 200 years, members of virtually every family in Argentina worked in viticulture or winemaking, yet only in the last 10 or 15 years has a new generation of Argentinian vigneron begun to realize this country's, and particularly the province of Mendoza's, extraordinary potential. In the past the industry was plagued by the general philosophy that quantity was preferable to quality. Now their finest wines can compete on the world stage. Argentina's greatest visionary is Nicolás Catena, and his crusade for high-altitude vineyards and conservative viticultural practices has resulted in one after another breakthrough wines that have pushed Argentina to the forefront of the modern winemaking revolution."
